## NARRATIVE AND ADDITIONAL INFORMATION:

About 04:12 Am on September 10, 2007, Officer B. Sullivan, while stopped at American Legion Highway and Blue Hill Av., witnesses a vehicle MA 27PB21 operating on Blue Hill Av at a high rate of speed, greater than reasonable and proper for the residential area. Officer Sullivan followed the vehicle and witnessed the vehicle speed through a yellow light at Blue Hill Av and Woodrow. The vehicle was stopped the vehicle at Blue Hill Av and Morton Street. Prior to approaching the vehicle a passenger got out of the front passenger's side door and appeared to start to walk away. Officer Sullivan approached the driver's side of the vehicle and asked the driver for his license and registration. At the time he was talking into a cell phone. Officer Sullivan asked the driver to put down the cell phone and produce a driver's license and registration. At this point Officer Sullivan noticed that Mr. Belin's eyes were glassy and bloodshot. Officer Sullivan leaned into the vehicle toward Mr. Belin and noticed the strong odor of an alcoholic beverage.

The operator, King Belin, stated that he did not have driver's license, that he was operating on his permit. I asked the passenger, Nicole Lamar, whether she had a driver's license and she said no. Mr. Belin handed Officer Sullivan a Massachusetts ID card. Officer Sullivan asked for the registration to the car. Mr. Belin said "no" and asked why he was stopped. Officer Sullivan informed Mr. Belin that he was stopped for speeding. Officer Sullivan radioed for additional assistance, and asked Mr. Belin, for the registration to the vehicle again.

At this point Mr. Belin became very belligerent and began to swear at Officer Sullivan and other Officer's who had arrived on scene. Officer Sullivan handed Mr. Belin's ID card to another Officer on scene and again asked Mr. Belin for the registration again and again he refused. Officer Nuberini, informed Officer Sullivan that Mr. Belin had three (3) warrants. Officer Sullivan asked Mr. Belin to step out of the car, to which he replied "No, Fuck you". Officer Sullivan asked Mr. Belin again to step out of the car, and again Mr. Belin refused. Several officers on scene, entered the vehicle and pulled Mr. Belin out of the car. Mr. Belin was placed on the ground, handcuffed and arrested for operating without a license, refusal to submit, operating under the influence of alcohol, and resisting arrest. Mr. Belin was placed into the back of a cruiser by Officer Dorsey. Additionally Mr. Belin was issued a citation # M5493084 for speeding and a red light violation. Once at the Police Station Lt. McLaughlin asked Mr. Belin if he wish to take a breathalyzer test and he refused.

Two (2) cell phones and a digital camera were taken from the vehicle for safe keeping and added to Mr. Belin's personal property items at the police station. While awaiting transport Mr. Belin attempted to kick out the windows of the police cruiser where he sat. As Officer Sullivan transported Mr. Belin to the B-3 Police Station, Mr. Belin continued yelling stating in part that when he got out he would go on killing whoever he wanted to kill and stabbing whoever he wanted to stab. Prior to the vehicle being towed, the owner Shonelle Woods arrived on scene and was allowed to take the vehicle. A criminal complaint has been submitted against Ms. Woods for Allowing an unlicensed/ improper person to operate, MA citation # M 5493083 was mailed to her.

## NARRATIVE AND ADDITIONAL INFORMATION:

About 8:07 am, Friday, 12/05/08, Officers Carr and Moscaratolo in the L101D entered the parking lot on the Reddy Avenue side of Ross Field.

Officers observed a gray Toyota Scion sedan, Ma. Reg:27PB21 parked against the fence, facing the playing field.

At first the car appeared to be empty. There was no one on the field. The weather was cold. Concerned for the well being of anyone who might be in the car, officers approached the vehicle to investigate. They observed two people in the front seats of the car. The seats were in the reclined position. Both individuals had coats thrown over them. The key was in the ignition and the radio was playing.

When officers knocked on the driver's side window, the operator opened the driver's side door. On the floor, next to his left leg was an open, nearly empty 25.4 oz bottle of Kahlua. The operator proffered a Massachusetts I.D.

in the name of King Belin, 23, An MDT check revealed that his license was suspended. He was taken into custody for Operating after Suspension of his License and Open Container of Alcohol in a Motor Vehicle. He was transported to E-18 for booking by the L202D (Gorman/Miller).

The passenger, who identified herself as Brandie O'Neal, 15 of \_\_\_\_\_ stated that she was a ninth grader at the Joshua Quincy School in Chinatown. Officers confirmed this by phone with School Police Officer Owens. Officer Owens stated that Ms. O'Neal was a frequent truant, but that her mother would be cooperative if officers could reach her.

Officers asked Ms. O'Neal her relationship with Mr. Belin and she said that he was her cousin. She stated that they had been in the parking lot "for awhile".

Officers transported Ms. O'Neal to E-18 where they called her mother, Christine O'Neal (\_\_\_\_\_. The mother stated that Brandie had left the house without permission late last night. She stated that she was about to file a missing person's report. She said that she would go to court to seek a CHINS order.

asked if she had any relatives in Hyde Park, Christine O'Neal stated that she did not. When asked if she recognized the name Belin, she said, "No".

Christine O'Neal stated that she would come to E-18 to pick up her daughter.

The suspect vehicle was towed by Metro (Claim Check #13850). Called the Tow Line, spoke with Wall. While officers were completing this report, Shonelle Woods, the owner of the Scion, (\_\_\_\_\_) came to the station to pick up the claim check for her car. She was asked if she knew who was operating her car, and she stated, her boyfriend, King Belin. She said the last time she heard from him was about midnight this date, when he went out. She was issued, in hand, Mass Citation #M7332204 for Allowing an Unlicensed/Improper Person to Operate a Motor Vehicle.

King Belin was issued Mass. Citation M7332204 for Operating a Motor Vehicle After Suspension of License and Open Container of Alcohol in a Motor Vehicle.

The Kahlua bottle was seized as evidence and turned over to the E-18 Property Officer.

NARRATIVE AND ADDITIONAL INFORMATION:

About 11:45 A.M. on Wednesday April 29, 2009 Officer Bissonnette in the C422D unit made an on-site arrest of King Belin (D.O.B. [REDACTED] for Unlawful Possession of a Firearm (269-10 (h)), Unlawful Possession of Ammunition (269-10H), Possession of a Loaded Firearm , Receiving Stolen Property and Operating a Motor Vehicle After Suspension (90-23).

Officer Bissonnette, while on routine patrol, observed a white Nissan Maxima (MA 12JR92) operating on Blue Hill Ave, Dorchester. Officer Bissonnette observed this vehicle to have a rejected inspection sticker. The officer observed a red "R" indicating that the motor vehicle had not passed inspection due to safety violations (90/20). Officer pulled his marked Boston Police cruiser behind the vehicle, activated his emergency lights and sirens to initiate a traffic stop for the above violation. The motor vehicle pulled to the right and came to a stop in front of 32 Ormond St.

Upon approaching the motor vehicle the officer requested the operator/suspect's (Belin) registration. The suspect (Belin) stated that he did not have a license. Officer requested the suspect's identifying information and the suspect provided: King Belin [REDACTED]

Officer queried this information through the cruiser's mobile data terminal which revealed that the suspect's license had been suspended for a chemical test refusal. Officer again approached the motor vehicle and advised the suspect that his license was suspended. The Officer asked the suspect if there was anything in the vehicle that he should know about. The suspect produced a red box cutter and stated "just this". The officer advised the suspect to put the box cutter on the passenger's side floor and asked the suspect if there was anything else in the vehicle that the officer should know about to which he replied, "a small bag of weed" and produced a small p/b of what appeared to be marijuana. At this time the suspect was asked to exit the motor vehicle and was immediately placed under arrest for Operation after Suspension (90/23). Handcuffs were placed on the suspect and he was sat down on the curb behind the motor vehicle. Officer requested a unit to transport the prisoner and began an inventory search of the motor vehicle from the driver's side. Officer observed a wooden board with a taped handle (resembling a wooden bat type weapon) on the driver's side floor against the seat. Officer moved this board to further search the vehicle and immediately noticed a revolver under the front driver's seat on the floor. Officer immediately halted the search, requested for additional units to respond as well as detectives and the Patrol Supervisor.

The C904 (Sgt. MacCallum), C981 (Sgt Det Ford), C815 (Det Williams), C813 (Det Charbonnier) and numerous District 3 patrol units responded to the scene. The suspect was searched by Officer MacIsaac during which Officer MacIsaac found a black nylon holster clipped to the inside of the suspect's belt on the right hip area. The suspect was placed into the back of the patrol wagon. At that time Officer Bissonnette demanded the suspect to produce his license to carry a firearm. The suspect replied "what man? I don't have that shit". The suspect was transported to District 3 by the C202D (Officers Sosa and McPherson) and booked.

Detectives secured the firearm and took photographs of the scene. Upon further investigation by detectives the firearm was found to be loaded with six rounds. A query of the firearm's serial number also revealed that the firearm had been stolen out of Salem Ma on 08/08/2003 (Ref# G6092499).

During the time of this incident the suspect's child (King Belin Jr. [REDACTED] was seated in the rear seat in a car seat. EMS was requested to respond and check on this child's well being. Ambulance A03 (EMT's Flemming and Stankard) responded and transported the child to the Boston Medical Center. Officer filed 51A with the Department of Children and Families.

Officer Ranero waited with the motor vehicle and a department tow was requested. Auto Service and Tire responded and towed the vehicle back to district 3 (slip 12797). Officer Ranero escorted the motor vehicle to District 3 where it was secured pending a search warrant. Form 20/12 completed and filed at District 3.

MUC (M8383131) was issued to the suspect for Invalid Inspection (90/23) and Operating After Suspension (90/20).

ADA Dan Mulhern was notified. Based upon the suspect's criminal history ( Docket # 0506CR0249B Guilty Carrying Dangerous Weapon to wit Knife) he is to be charged with Unlawful Possession of a Firearm (Second Subsequent Offense).

While waiting for the traffic light to change at Wood Ave and River Street I observed the following vehicle Mass Registration 12JR92 traveling outbound on River Street in the direction of Cleary Square with the radio system blaring. A traffic stop was conducted at River St and Reddy Ave. As a result of this stop the operator identified as BELIN,KING DOB [REDACTED] produced a Massachusetts Registry of Motor Vehicle Identification and verbally informed this supervisor I have "no license". I asked who the owner of the vehicle is, he stated the passenger identified as ROACH,NICOLE DOB [REDACTED] produced a valid drivers license. A further check of the records of the RMV through Boston Police CAD system revealed BELIN, KING is a habitual traffic offender with a revoked license. Operator was asked to exit the vehicle then placed under arrest for revoked license. During the arrest process operator BELIN became irate and refused to enter the police vehicle for transport. He was warned on several occasions to comply which he did. Suspect was transported to Area E-18 for normal booking process. The owner of the vehicle became irate ranted and raved about the unfairness of the officer arresting the baby's father on Father's Day Weekend. After the booking process the suspect was placed in cell# 3. The Duty Supervisor Lieutenant Sean Wilbanks observed through the cell window the suspect remove contraband from his waist area which he believed to be drugs. Lieutenant Wilbanks requested the keys to the cell at that time the suspect turn his back away, and discarded the contraband in the toilet flushing prior to the cell door being opened. Lieutenant Wilbanks in his training and experience and the suspect having a history of illegal possession of drugs ordered the suspect to be stripped searched. Suspect removed from the cell taken to the holding cell and was asked on a number of occasions to remove his pants. Suspect refused then stiffened his body made a statement "I am a monster you will have to take them off" continuing to refuse the orders of this Supervisor and Lieutenant Wilbanks suspect was subdued by officers and his pants removed. A search conducted provided negative results. Suspect was handcuffed and taken back to cell. Multiple times Lieutenant Wilbanks and Sgt Kraft asked the suspect if he received any injuries due to his refusal he stated no. Mass Uniform Citation issued for Operating after revocation to wit: Habitual offender. Loud and objectionable noise(Loud Music).

NARRATIVE AND ADDITIONAL INFORMATION:

About 1845 hrs, on Monday, September 17, 2012, officers Finn and Bissonnette while assigned to the CK01F unit, along with officers Driscoll and Bridges in the C686F and C688F units, did affect the on-site arrest of KING BELIN (DOB [REDACTED]) on Mildred Ave at Norfolk St., Mattapan, for firearm and drug offenses.

Officers Finn and Bissonnette while responding to a radio call on Walk Hill St. (CC# 120584280) heard Boston Police Operations broadcast a radio call for a fight on Norfolk St. at Fessenden St. Officers Bridges and Driscoll broadcast that they would respond to Norfolk St. to address the report of the fight. Officers Finn, Bissonnette, Driscoll, and Bridges, having patrolled the area around Norfolk Park were very familiar that this area had been plagued with incidents of firearm violence to include homicides, person(s) shot, person(s) assaulted by firearms, shots fired, firearm arrests, and firearm recoveries (incidents to include but not limited to CC#s 120396086, 120225176, 110007723, 100436879, 100466504, 100485183).

Officers Finn and Bissonnette broadcast that they would assist at this reported fight en route to their radio call on Walk Hill St. Upon arrival on Norfolk St. at Mildred Ave (directly opposite Fessenden St.) officers Finn and Bissonnette observed a group of five males walking on the sidewalk on Norfolk St. approaching Mildred Ave. Officer Bissonnette pulled their unmarked department vehicle onto Mildred Ave and Officers Finn and Bissonnette exited their vehicle in plain clothes with their badges displayed on their outermost garments.

Officer Finn engaged the group of five males in conversation and informed the individuals that the police were in the area in response to a call for a fight. As officer Finn engaged this group in consensual conversation officer Bissonnette observed one individual break away from the group in a hurried manner walking in the direction of Norfolk Park on Mildred Ave. Officer Bissonnette observed that as this male broke from the group he appeared to avoid eye contact with the police. Officer Bissonnette followed behind this male who he now recognized as KING BELIN (DOB [REDACTED]), and called out to Belin asking "Yo, King what's going on". Officer Bissonnette was familiar with Belin as having arrested Belin for unlawful possession of a firearm on April 29, 2009 (CC# 090230388). As officer Bissonnette continued to approach Belin he was conscious of the fact that Norfolk Park had a number of small children and adults who were utilizing the park and playground. Officer Bissonnette further observed that Belin was wearing a heavy sweatshirt that was an unusual manner of dress for the warm September evening.

Officer Bissonnette, having been trained by the Bureau of Alcohol Tobacco and Firearms in the characteristics of an armed person, continued to monitor Belin as he attempted to engage him in conversation. Officer Bissonnette observed Belin turn towards the officer and at that point officer Bissonnette asked "you got anything on you". Officer Bissonnette saw Belin's demeanor immediately change where Belin began to exhibit several nervous mannerisms. Officer Bissonnette saw Belin take a deep breath and start to breathe at a quick and shallow rate. The officer observed Belin turn and appear to look for an escape route. Officer Bissonnette, having previously arrested Belin for unlawful possession of a firearm, Belin's clear nervous behavior, the officer's knowledge of firearm incidents in and around Norfolk Park, and Belin's immediate departure from the otherwise compliant group, determined it was necessary to conduct a frisk of Belin for the safety of the officer and the general public who were inside Norfolk Park.

As officer Bissonnette attempted to affect a frisk and prevent potential flight the officer took hold of Belin's right arm. Officer Bissonnette observed Belin immediately reach to his waist with both hands. Fearing that Belin was reaching for a weapon officer Bissonnette grabbed both of Belin's hands and controlled them holding his hands to his chest instructing Belin to relax. Officer Bissonnette repeatedly ordered Belin to comply with the officer's lawful commands. Officer Bridges responded to assist officer Bissonnette with Belin. When officer Bridges arrived to assist officer Bissonnette Belin increased his level of resistance, hunched over at the waist, and held his hands against his waist. Officers Bissonnette and Bridges then struggled with Mr. Belin attempting to control him by holding him against a brown utility box. As officers Bissonnette and Bridges continued to struggle with Belin Officers Finn and Driscoll ran to assist. All four officers took hold of Belin and continued to order Belin to cease his resistance and to allow the officers to conduct a frisk. Again, Belin hunched over and pinned his arms to his side.

The officers were forced to bring Belin to the ground in order to safely conduct a frisk. Once Belin was on the ground he continued to ignore the officer's commands to show his hands and stop his resistance. Officers requested additional units to respond to assist at the scene. Officers determined that for their safety it was necessary to handcuff Belin. Officers Bissonnette and Bridges were eventually able to handcuff Belin.

As Belin was handcuffed and on the ground, officer Bissonnette rolled Belin to his side to safely initiate a frisk. When Belin rolled to his side his sweatshirt lifted revealing a firearm tucked into his waistband at the center of his stomach. Officer Bissonnette alerted officers to the firearm, removed the firearm from Belin's waist, and secured the firearm. Belin was placed under arrest for Carrying a Loaded Firearm (269:10N) and Possession of a Firearm Second offense (269:10(a)(d)). Officers were aware that Belin could not possess a license to carry a firearm due to his previous conviction for the same offense.

While conducting a search incident to arrest, officer Velez (C415F) discovered a pack of Newport Cigarettes in Belin's front right pant's pocket. Officer Velez handed the pack to officer Finn who found that the pack felt heavy and inconsistent with the weight of a pack of cigarettes. Officer Finn also observed a plastic bag protruding from the pack. Officers inspected this pack and discovered a plastic bag that contained 5 rounds of ammunition.

Officer Velez continued a search of Belin and located four individually packaged bags of a green leafy vegetable matter believed to be marijuana. Officer Velez located these bags in Belin's front right pant's pocket.

Officers noted that Belin's arrest occurred within feet of Norfolk Park and Playground. As a result, Belin was additionally charged with Possession of Class D (marijuana) with intent to distribute (94C:32C) and Possession of Class D (marijuana) with intent to distribute park zone (94C:32J). The park zone measurement to be conducted at a later date.
